

Restaurants Self Payment Floor Stand Kiosk

SuiYi provides kiosk hardware solutions in a thorough and thoughtful way. Our specially developed kiosks are designed for retail, food corners, quick service restaurants and unmanned stores.

Product Description

The standing kiosk is equipped with both wall-mounted and floor-mounted supports, which means that the standing kiosk can also be mounted on the wall. It's a lifesaver for the sufferer, and you can make him whatever you want him to be. When space is limited, wall mount is the best form and can be used for most applications.

FAQ

GOT A QUESTION? FIND OUR FAQs HERE.**Do you provide software for ordering/self service?**

No, we don't provide the ordering/self service software.
We are hardware manufacturer, mainly serve for client that develop software themselves or hardware distributors.

**What details are required for a quotation?**

Pls advice your specific demand: Kiosk screen size, Host configuration, Operating System, Kiosk function, Kiosk application, Kiosk installation, QTY...
We will provide the best solution accordingly.

**Do you support customize?**

Yes, we support OEM/ODM.

**Can I make changes before I ship?**

Generally we confirm the order details before payment and start to process.
If there are some unexpected change before shipping, for standard kiosk, we can coordinate as much as possible. For customized project, it is difficult to change.
So we suggest client to fully express your demands and confirm before payment.

**What are the shipping options?**

Express, air, sea, land carriage.

**When will my order ship?**

Lead time depends on models and stock.
Standard models: 3-5 working days. Customized: 25-30 working days

**Can I have samples before my order? MOQ?**

Yes. We welcome sample inquiries.
For standard model, MOQ: 1 pcs.
For customized project, MOQ: 30pcs after sample confirmed.

**How long is your warranty?**

We have 13 months warranty for all products, including RMA service, remote maintenance and video manual.
